Many labels in French language have been improved:

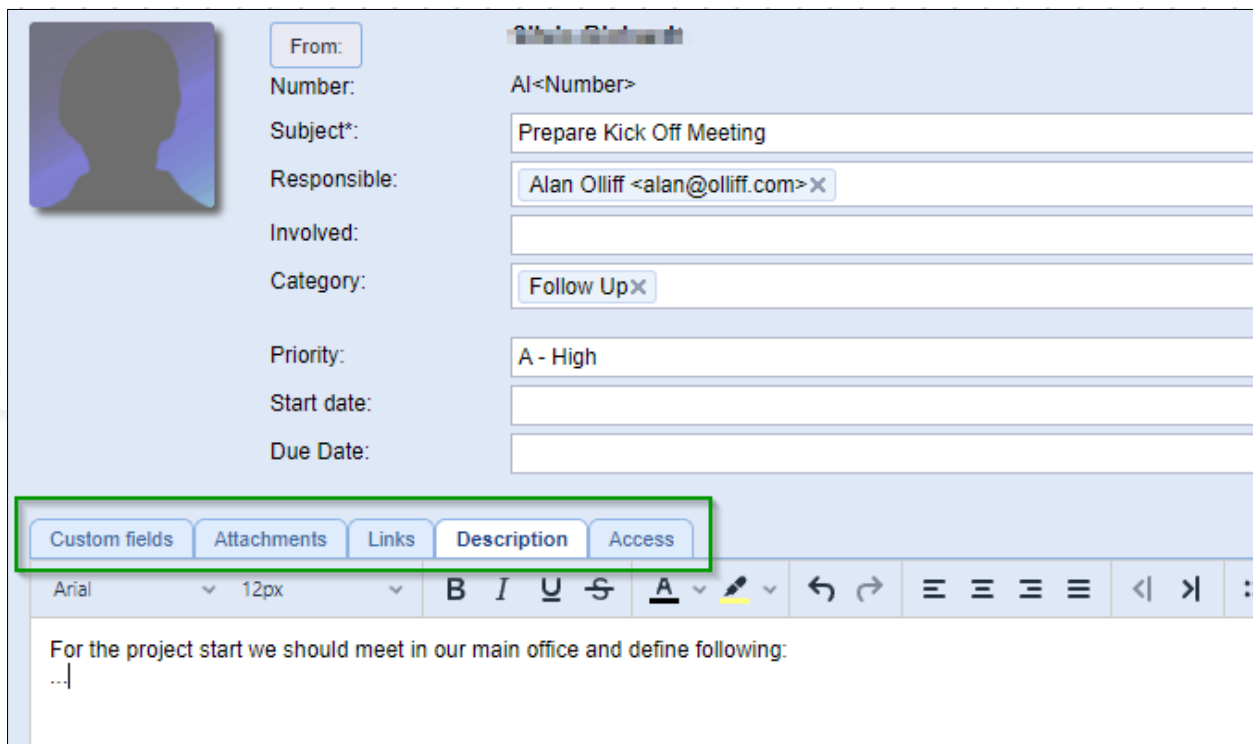

Increase the number of characters in the WBS fields

The WBS field in Documents has been increased to allow more data:

System:	Quality
Reference:	Reference 4
WBS:	WBS2001, WBS2302, WBS1002, WBS4405, WBS1200
Activity ID:	
Producer:	...

Define tab order in Action Items

From: [Redacted]

Number: AI<Number>

Subject*: Prepare Kick Off Meeting

Responsible: Alan Olliff <alan@olliff.com> x

Involved:

Category: Follow Up x

Priority: A - High

Start date:

Due Date:

Custom fields Attachments Links Description Access

Arial 12px B I U         < > 

For the project start we should meet in our main office and define following:
...

The default tab order for Action Items can be changed.

Please ask SOBIS Service Desk if you want to modify the default order.

Show CRS Status and CRS Responsible in Document grids

Comment Review Sheet is not enabled by default.
Please ask SOBIS Service Desk if you want to use this feature.

Action Items (4)
 Comment Review Sheet (1)
