PIRS 3.7

Highlights

Introduce Comment Review Sheet

PIRS users want to:

- » **Review documents internally before sending them to partners**
- » **Share comments between all parties**
- » **Follow up the whole commenting process**
- » **Give feedback to documents in a uniform way**
- » **Perform exhaustive commenting within PIRS (centralized)**

The new Comment Review Sheet in PIRS supports you in doing so!

Introduce Comment Review Sheets (CRS)

- » **Allow users to comment every Document Revision**
- » **The CRS might be used for internal review processes**
 - Get feedback from all responsible participants
 - Create new Document Revisions based on the feedback of the CRS process
- » **The CRS might be shared between EPC, customer and supplier**
 - Export to MS Excel / Office (and send via Mail, Comment or Transmittal)
 - Portal and Smart Collaboration (available in next PIRS release)
- » **Show and track history of the commenting process**
 - In the Document for every Revision
 - In every CRS Item
